REPORT OF HEALTH OFFICER

I hereby submit my report of Health Officer for the year ending January 31, 1929.

We have had in the past year 13 cases of measles and two cases of scarlet fever.

Samples of the water supply have been analyzed by the state chemist, who has reported "good."

No sickness has occurred that could be attributed to the water.

The milk samples collected from our local milk dealers and analyzed by the state chemist were all above the statutory requirements of total solids and fat.

A Childs' Health Conference was held for the pre-school children of Enfield, June 11th, in co-operation with the local Board of Health, Athena Club, American Legion, Relief Corps, Auxiliary and Improvement Society and local physicians. Twenty-six babies and pre-school children were weighed and measured and examined by a physician. Sixty-two defects were found. Twenty-five had physical defects. Fourteen were placed under treatment. Twenty-nine demonstrations were made at the Conference.

The Conference was under the direction of Miss Vivian M. Jennings, State Board of Health nurse, for this state district.

May the town continue to co-operate with the State Board of Health in all activities, pertaining to maternity infancy and child hygiene.

GEORGE W. DUSTIN,
Health Officer.

STATE TAX COMMISSION

New Hampshire

Concord, February 27th, 1930

Mr. Daniel W. Campbell, Chairman,
Board of Selectmen,
Enfield, New Hampshire.

Dear Sir:

I submit herewith a report of my audit of the accounts of the Town of Enfield for the fiscal year ending January 31, 1930.

The Orders drawn by the Selectmen during this period were examined, together with the accompanying invoices and payrolls, the total amount of these Orders being \$87,941.13. The Orders were checked with the corresponding entries in the Selectmen's Receipts and Payments Book to see if the correct amounts had been entered in each case and the proper classifications made. Totals were verified.

The Treasurer's Receipts and Payments were checked and it was found that the total amount of his payments was in agreement with the total amount of Orders drawn by the Selectmen. The balance on hand January 31, 1930, as shown by the Treasurer's Cash Book, was \$2,776.45. This balance reconciled with the balance on deposit in the National Bank of Lebanon.

The Tax Collector's account for the tax levy of 1929 was balanced, the total amount of his payments to the Treasurer together with the amount of discount and abatements allowed being sufficient to offset the total

amount with which he was charged, viz:—\$63,355.24. I especially commend the efficiency of the Collector, Mr. B. W. Campbell.

The Town Clerk's Auto Permits issued for the calendar year 1929 were checked and found to total \$1,857.75. A like amount was remitted to the Treasurer by the Clerk on this account. The Dog Licenses issued by the Clerk amounted to \$346.47. The Clerk turned over to the Treasurer \$336.93 on this account and the balance of \$9.54 was expended for tags and blanks.

The accounts of the Trustees of the Trust Funds, Library Trustees, Municipal Court, and Overseer of the Poor were examined and found to be correct.

Generally speaking the accounts of the various officers were found to have been kept in good shape and in accordance with the uniform system required by the State Tax Commission. No shortages or irregularities were found to exist. The only discrepancy was an overpayment of \$123.35 to Mr. W. G. Dresser, Foreman of Trunk Line Maintenance, on Order No. 795. This Order, amounting to \$1,525.64, was drawn to cover Payrolls of Sept. 21st, Sept. 28th, Oct. 4th and Oct. 12th, which amounted to \$1,402.29. Mr. Dresser immediately gave the Selectmen a refund check for \$123.35 upon being informed of the matter, which will appear as a receipt in next year's report.

Yours very truly,

HAROLD G. FOWLER,
Municipal Accountant
of the
STATE TAX COMMISSION
